TERMS OF SALE

1. This is an unrestricted Mail Bid Sale. All lots will be sold to the highest bidder. Enter your bid by lot number. Please feel free to bid as much as you wish on each lot, with the realization that all bids will be treated as limits and all lots will be sold below those bids as competition dictates. Bids that are not entered in good faith or are deemed to be totally ridiculous will be refused at the cataloger's discretion.

2. Closing date for this sale is Saturday, July 25, 1992 at 9:00 P.M. (EDT).

3. Bidders who are unknown to us are requested to supply two (2) bank or trade references prior to the sale or submit a deposit equal to twenty-five percent (25%) of their total bid.

4. A ten percent (10%) Buyer's Fee will be added to each lot won. A packing charge of fifty cents per lot (mimimum $2.00) plus shipping charges also will be added.

5. TERMS: Strictly cash, payable in U.S. funds. Payment is due upon notification of successful bids. Title to all lots remains with Function Associates until paid for in full. Delivery may be postponed until full payment is received, at the discretion of the cataloger.

6. Unsuccessful bidders will be notified by mail in a prompt manner. We recognize the importance of liquidity of funds and will return deposits on a priority basis.

7. A Prices Realized List will be mailed to each bidder. A copy of the prices realized may be ordered for delivery after the sale. The price is one dollar ($1.00) for those persons who are not bidders.

8. Mail Bid Sales are not approval sales. No lot may be returned without written authorization and this must be requested within three days after receipt of lots purchased.

9. All books are as described. Any errors or typographical mistakes will be happily corrected.

10. A Florida 7% Sales Tax will be added to all lots delivered within Florida, unless a valid resale number is on file with us.

11. The cataloger has attempted to describe the condition of each lot as to signs of wear. If no descriptor is noted, it may be assumed that the lot is in Fine(F) to Very Fine(VF) condition. A "plus" (+) sign is used to denote that the contents of a publication is in better condition than the covers, as is the case in many instances.

12. Telephone bids are accepted. If you so desire, you will be informed as to whether your first bid is a successful bid or not. A second bid may then be offered, but with the provision that this second bid will not be reduced as competition dictates.

13. Invoices are payable upon receipt and a late charge of $1.50 will be added to delinquent accounts.

BOWERS & RUDDY

In the eleven years that Dave Bowers and Jim Ruddy held sales, they produced masterfully done catalogs of some of the greatest collections in numismatics. A library containing the 63 sales held under this firm's name is a must for the numismatic bibliophile and/or coin collector.

SOME NOTES ON BIDDING

Please remember that the prices given at each lot are estimates only. They are intended to be used as a guide for your bidding. These estimates are gleaned from past auction records, new-book pricing and just "plain" common sense. Feel free to bid whatever you wish, knowing that we do reduce bids as competition dictates. If a particular lot is one that you keenly desire, it might be wise to bid somewhat above estimate. If there are no bids received above estimate, you will win that lot at estimate. Bids that are less than 50% of estimate are generally not successful.

Our grading system is explained on the inside of the back cover, however there is one point that you should be aware of. Most books, catalogs, documents, etc. will show more wear on the cover than abuse to the contents. In order to indicate that the contents are in better condition than the cover, we use the plus (+) sign. For instance, a book with a worn cover but nice contents will be graded as VF+.

For the most part, our aim is to make you aware of condition and price considerations so that you will be able to intelligently assess your bidding strategies. We welcome your suggestions or comments.
